Subject: Business proposal

Hello,

My name is Jennifer White. You had indicated a while ago that you were looking for a way to make more money or start a business at home.

It's not a joke or something else.

Put aside a few minutes, right now, to get the details, please.

I'm looking for a business partner who are ready to work as an ebay trader.

I have an offer for you which will help both of us make more money and have fun doing it. The business I suggest you takes 1-2 hours a day or it can be your full time job. It is up to you.

And the best... it's free to join!

You can start to work right now without any investments and you will see how it is easy to make a lot of money online. If you are interested in making money right now (no waiting no investment).

Please, contact me only to my personal e-mail: jenniferww@gmx.com

Regards,
Jennifer White
